USDF Master Verification

Tired of carrying all those cards and certificates to your horse shows? The Master Verification, available on www.usdf.org, allows you to list your horse's registration, as well as the rider's and owner's membership information all on one sheet. It can be customized and printed at anytime, thus creating the most up-to-date membership verification.

Verification of Payment

If you will need proof of membership before you receive your card, USDF encourages you to apply on-line at www.usdf.org.

When you apply on line you will receive an instant verification of payment, which can be used at competitions until your membership card arrives!

Owner/Breeder Portfolio

Did you know that you can search all the USDF registered horses that you own or have bred on the USDF Web site? Owners can check their horse's registration and confirm that the horse is declared for the All-Breeds program. Breeders can use this tool to confirm that they are listed as breeder for all the USDF registered horses they have bred. The Owner and Breeder portfolios are located at www.usdf.org/Join/horseOwners/.
